Asst. Prof. Mabel S. Buela  
Principal  
UP Rural High School  
Paciano Rizal, Bay, Laguna 4033

December 28, 2022

Dear Asst. Prof. Buela,

I am writing to express my interest in the teaching position in Physics at UP Rural High School for the Senior High School department. As a recent graduate of University of the Philippines Los Baños with a major in Physics, I am excited to begin my career in education and am confident that my skills and passion make me an excellent fit for this role.

Throughout my studies, I have developed a strong understanding of the fundamental principles of Physics, as well as the ability to explain complex concepts in a clear and concise manner. In addition, I have gained valuable experience in conducting experiments and using various teaching methods to engage students and facilitate their learning.

I am committed to creating a positive and inclusive learning environment for my students and believe that every student has the potential to succeed. In my previous experience as a peer tutor and lecturer in UPLB Learning Resource Center, I have had the opportunity to work with students of various ages and backgrounds and have always enjoyed the challenge of finding creative ways to teach, inspire and motivate them.

I am excited about the opportunity to join the team at UP Rural High School and contribute to the growth and success of your students. Thank you for considering my application. I look forward to the opportunity to further discuss my qualifications with you.

Sincerely,

ALOPA, MIKE ANGELO A.
